

Pedestrians Do Not Make Good Hood Ornaments!

Look out for pedestrians everywhere, at all times. Safety is a shared responsibility.

Driving Safely

- Slow down and be prepared to stop when turning
- Never pass vehicles stopped at a crosswalk. There may be people crossing that you can't see.
- Yield to pedestrians and stop well back from the crosswalk.
- Never drive under the influence of alcohol and/or drugs

Tips for Other Road Users

- Follow the rules of the road. Always cross at intersections.
- Avoid electronic distractions. They take your eyes and ears off the road.
- Be visible at all times. Wear bright clothing during the day and wear reflective materials at night.
- Make eye contact with drivers. Never assume a driver sees you.
- Avoid alcohol and drugs; they impair your abilities and your judgment.
