

BEFORE you  away...

Spend a few minutes familiarizing yourself with your rental car's safety features and controls.

LEARN how to:

START the engine.

ACTIVATE headlights and wipers.

RAISE and lower windows.

TURN ON temperature controls.

OPERATE radio.

CHECK:

MIRRORS and **SEATS** adjusted?

Any **WARNING LIGHTS** on?

GAS TANK full?

SAFETY FEATURES available?

GPS programmed to destination?

Visit mycardoeswhat.org to learn more about the safety features in your rental car.
