

Violators Will Be Toad!

Halloween Safety

Safety Tips: Drivers

- Slow down, obey traffic signs and signals
- Avoid distractions: Silence your phone and set your GPS device before you depart
- Look out for children and other pedestrians, especially near intersections
- Yield the right of way to vulnerable road users (pedestrians and bicyclists)

Have Fun, Be Safe!

- Know This: Alcohol and drugs lead to impairment and poor decisions by pedestrians and the drivers who share the road with them

Safety Tips: Pedestrians

- Walk on sidewalks and cross at intersections
- Put electronic devices away and stay alert
- Wear bright clothing during the day and reflective materials at night
