

Even When Wet, Safety is Your Best Bet

Tips for Driving in the Rain

- Turn on wipers
- Turn on headlights
- Drive in the middle lanes
- Do not tailgate
- Turn off cruise control
- TURN AROUND—DON'T DROWN!

Hydroplaning – WHAT TO DO:

- Ease up on the accelerator
- Turn in the direction of the skid
- Wait to feel the tires reconnect with the surface of the road
- Brake gently as needed

Slow down
and never
drive beyond
the limits of
visibility
